

## ORDINANCE NO. 25-426

**BE IT ORDAINED** by the City Council of the City of Huntsville, Alabama, that the Code of Ordinances of the City of Huntsville, Alabama, (hereinafter referred to as “City Code”) is amended as follows:

**Section 1.** City Code Chapter 21, Article II, Division 9, Section 21-271 is hereby amended to read as follows:

### **Sec. 21-271. Definitions.**

The following words, terms, and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Bill* means water and sewer charges.

*Billing period* means the period intervening between monthly readings of meters forming a part of the water system or installed pursuant to the provisions of this article.

*Establishment* means any premises used for residential, commercial, or industrial, religious, charitable or any other purposes of whatsoever kind or character.

*Major industrial* means users discharging 100,000,000 gallons or more of effluent per year.

*Other* means hotels, motels, multifamily, general commercial, retail, some industrial users, and, for the purpose of establishing sewer service charges under section 21-275, any single-family residence served by more than a single water meter.

*Sanitary sewer system* means the sanitary sewer system of the city.

*Single-family residence* means the space provided for the occupancy of a single-family, i.e., including separate living quarters and kitchen, and which is served by a single water meter. For purposes of establishing sewer service charges under section 21-278, this definition shall not include a premise served by more than a single water meter.

**Section 2.** City Code Chapter 21, Article II, Division 9, Section 21-273 is hereby amended to read as follows:

### **Sec. 21-273. Sewer Service Charges.**

There are hereby established monthly charges for sanitary sewer service to each establishment which is served by a water meter which discharges into the sanitary sewer system of the city, said charges being based upon the monthly consumption of water by each establishment, or where discharge is made into said system from a source other than the city water system, then the combination of the two, subject to the charges hereinafter established, as follows:
