Description of Project: A periodic bid project utilizing tradesmen hourly unit items to complete Sanitary Sewer Plant and Pump Station rehabilitation and new construction projects. Construction of these projects is intended to be performed within the shortest possible time frame with the work beginning and ending on dates selected by the City of Huntsville for each work authorization. Failure to comply with the times specified in the Notice to Proceed (NTP) may, in the sole determination of the City of Huntsville, result in the contractor being prohibited from bidding on additional work for the City of Huntsville, until such time as contractor is back on schedule.

The attention of all bidders is called to Code of Alabama §§ 34-8-1 and 34-8-2 (1975) and 34-8-1, 34-8-2, 34-8-4, 34-8-6, 34-8-7, 34-8-8 and 34-8-9 (amended 1996) setting forth the definition of general contractor and the licensing procedures and requirements for state licensing. A copy of the above Codes may be obtained from the OWNER (City of Huntsville). Section 39-3-5 Code of Alabama has been amended as follows:

"In awarding the Contract, preference will be given to Alabama resident contractors and a nonresident bidder domiciled in a state having laws granting preference to local contractors shall be awarded the Contract only on the same basis as the nonresident bidder's state awards contracts to Alabama contractors bidding under similar circumstances."

In determining the successful bidder, the Owner will consider in addition to the bid prices, such responsibility factors as characteristics and responsibility, skill, experience, record of integrity in business, and of performance offered and past record of performance on Owner contracts on other similar projects. Any other factors not specifically mentioned or provided for herein, in addition to that of the bid price which would affect the final cost of the Owner, will be taken into consideration in making award of contract. The right is reserved to reject any bid where investigation of the business available for the contemplated work, including financial resources, equipment, and experience on similar projects does not satisfy the Owner that such bidder is qualified to perform the work. ACTIVITY SHEET

Hi everyone!

I can't tell you how much I enjoyed my last trip back in time. Sankofa 82' and I took Todd with us to meet Jesus. You know, Jesus really does look just like He's described in the Bible.

WHAT COLOR WAS JESUS?

By modern American legal standards, anyone with a tiny amount of African ancestry is considered Black and accordingly this would include Jesus, even though in the ancient past there was no racial categorization or race prejudice. His mother, Mary, was Afro-Asiatic and probably looked like a Black American of today.

THE BIRTH OF JESUS

Jesus' parents, Mary and Joseph were of typical Afro-Asiatic stock as people of color of first century Palestine. They were not Europeans as often pictured in Western art. In many places all over Europe and North Africa the Madonna (the virgin Mary) and the Christ are both depicted as Black. Throughout the world, many Christians of all races worshipped the Black Madonna as the original representation of "the Mother of God."

The Greek Orthodox Church remade the Madonna as a Greek and then other European countries followed a similar practice.

GENEALOGY OF JESUS

Jesus' line of descendants can be traced back to Ham and Shem, who were sons of Noah. Ham and Shem and their descendants were people of color from Africa. Originally, Ham's descendants, Hamites, and Shem's descendants, Shemites, were probably Black, according to our modern standards of "race" in the United States.

IN BIBLICAL DAYS, CULTURAL, NOT RACIAL DIFFERENCES WERE NOTICED

Genesis 42:6-8, is a clear example that the people of Israel and Egypt had the same physical characteristics. In this example, Joseph (the Israelite) was now the governor of Egypt. He recognized his brothers who had come to Egypt to buy corn. But his brothers did not recognize him. It is a fact that ancient Egyptians were African people. Which means they had the same physical characteristics as the Israelites. Had Joseph had European features, it would have been easy for his brothers to recognize him.

WOW, KEMET! I JUST FOUND THIS HOLLYWOOD PICTURE OF JESUS! VERY COOL! IT LOOKS JUST LIKE HIM! WHAT DO YOU THINK?
