

Notice to Contractors
Huntsville Utilities Advertisement for Bid

Huntsville Utilities in Huntsville, Alabama is seeking bids for the below-mentioned project located in Huntsville, Alabama. Sealed bids will be received by the City of Huntsville, a municipal corporation within the State of Alabama, d/b/a/ Huntsville Utilities, by mail, at P.O. Box 2048, Huntsville, AL, 35804, or personal delivery, at the bid opening location listed below. IFB Number, Project Name, Contractor's name, and Alabama Contractor's License number must be printed on the outside of each sealed bid. Bidder instructions, including pre-bid meeting and contractor questionnaire details, are provided in the bid documents. As part of the bidding process, attendance at the Prebid meeting is considered mandatory. E-mail the Contract Administrator for a copy of the bid packet. The contractor shall furnish all supervision, labor, materials, supplies, tools, equipment, and transportation necessary to perform the construction called for under this contract in a timely, safe, and professional manner.

Bids will be accepted only from qualified General Contractors licensed prior to the bid opening by the State of Alabama. A cashier's check or a bid bond payable to the City of Huntsville, Alabama, d/b/a/ Huntsville Utilities for an amount not less than 5% of the contractor's bid, but in no event more than \$10,000.00, will be required to accompany each bid. A performance bond, a payment bond, a maintenance bond, and insurance will be required prior to execution of the contract. No bid may be withdrawn after the scheduled closing time for the receipt of bids for a period of ninety (90) days.

Bid No.: IFB 26-025

Project Title: Southeast Water Treatment Plant (SEWTP) Expansion to 24MGD
Prebid Meeting Location: Southeast Water Treatment Plant 491 Walker Rd. Grant, AL 35747

Pre-bid meeting/site visit: 1:00 p.m. CDT on January 7, 2026

Bid Opening Location: Downtown Office 112 Spragins Street NW Huntsville, AL 35801

Bid opening meeting: 9:00 a.m. CDT on January 23, 2026

Project Funded by: Huntsville Utilities

Scope of Work: The project is upgrading Huntsville Utilities Southeast Water Treatment Plant (SEWTP) pumping capacity to 24 MGD. The work will occur at two separate locations: main plant and raw water intake. Base Bid Item 1 is the installation of a new 1000 HP finished water pump with associated valves, piping, electrical and Instrumentation & Controls (I&C) at the main plant complex. Base Bid Item 2 is the installation of a new 400 HP Raw Water Pump with associated valves, piping, electrical and Instrumentation & Controls (I&C) at the raw water pump station. Base Bid Item 2 includes an additive alternate to install electrical equipment to connect a generator to the raw water pumping station.

The right to reject any and all bids is reserved.
